9 AM to 5 PM, Monday - Friday

KPFK raised \$131,000 in its June Fund Drive. This was a hard drive, but a good one. We as always learn more about managing such labor intensive events. Some pre-acknowledged problems hampered our June drive such as:

- 1) The closeness in proximity to our last fund drive.
- 2) A power outage in mid-April which caused a computer crash and serious subscription delays.
- 3) The NBA Playoffs.

Points one and two really affected the first four days of this fund drive and the NBA playoffs took its toll everytime the Lakers took to the court. All in all however, we rode the storm and were very pleased with a good effort. We did not reach our projected goal of \$150,000 but we hope to make up the difference in a special mail appeal in August. Thanks to Fund Drive Coordinator, Pam Burton, the entire fund drive team, volunteers, and programmers.

Thank you all for your generous support, both new listeners and continuing supporters. Please, send your check in when you receive your bill. About 25% of those who pledge during our drive never pay up. Since we did not make our projected goal, we need more of you to make good on your pledge. We thank you once again for supporting listener sponsored KPFK. This is our last fund drive for our fiscal year (October - September) and we look forward to a number of great programming months coming up.

Folios, premiums and film club cards take six to ten weeks to process.

On a very sad note, long time KPFK broadcast engineer, Don Newcomb passed away on July 7th. He was suffering from an illness which caused blood clots to move through his heart. Don was a native of California, born in Inglewood, and was living in San Pedro. He worked at KPFK as a volunteer for many years doing a variety of tasks from switchboard operator to computer data entry. Until his death he could be heard as the booming voice who regularly engineered our evening broadcast. His motorcycle parked in front of our door every evening was his signature. He had dedicated many hours working for the United Farm Workers and various peace activist causes. Our condolences to his family, and we all will sadly miss Don's presence.

Two major projects are underway. Actual construction for KPFK's new equipment installation began on July 18th. We anticipate the completion of this first phase of this project sometime this month. Secondly plans are being made to co-locate offices for the Pacifica archives on the second floor of our building. Progress reports will be provided in the coming month.

KPFK's budget for fiscal 1988-89 is currently in progress. It will be reviewed first by our Local Advisory Board before being submitted to our National Board at the September National Board Meetings in New York.

The Pacifica Foundation provides the KPFK mailing list to an organization which in turn rents or exchanges, on behalf of the Foundation, mailing lists of other non-profit organizations. If you object to having your name and address used in this way, please write to our Subscriptions Department, enclosing a recent Folio label, and we will omit you from our exchange list.

If your request to have your name and address not given to other organizations has already been entered in our computer, the letters "NX" will appear on the top line of your mailing label, to the right of the expiration date

## PROGRAM HIGHLIGHTS

This month KPFFK will present several programs on war and peace, commemorating the 43rd anniversary of the dropping of the atomic bomb on Hiroshima and Nagasaki, including the *Morning Reading*, weekdays, August 1-9 11:30 AM.

Friday August 5 2:00 PM

**HIROSHIMA MONTAGE**-This program will trace events in Japan and the U.S. from August 6-9, 1945 which emerged after the dropping of atomic bombs. Included will be the James Agee cover story for Time magazine, appearing the week after the bombings (Pacifica Archive #KZ1280).

2:10 PM

**CROSSFADE: A PERSONAL COMMEMORATION**-We present a dramatic radio production commemorating the atomic bombing of Hiroshima. It includes street interviews, parts of film sound tracks, a created interview with a World War II military expert, the voice of President Truman and the recording of an atomic explosion. This program was produced by Irene & Paul Oppenheim, with partial funding from the National Endowment for the Arts (Pacifica Archive #SZ0274).

3:00 PM

**DIE MUTTER**-This is an adaptation of Bertolt Brecht's play about the horrors of war. (Pacifica Archive #BB1057)

Saturday August 6 9:30 PM (Rebroadcast 8/9 3:00 PM)

**A QUESTION OF SURVIVAL**-Robert Leppzer produced these interviews with survivors of the Hiroshima bombing, as well as related speeches given by Fr. Philip Berrigan, Daniel Elsborg and Dick Gregory. The interviews are in Japanese and English. (Pacifica Archive #SZ0009)

10:30 PM

**THE TROJAN WOMEN**-Euripides' anti-war play depicting post-holocaust Troy. Produced by Lucia Chappelle & Peter Suthem. (Pacifica Archive #BC2116)

Tuesday August 9 4:00

**HIROSHIMA & NAGASAKI COMMEMORATION**-Included in this program will be highlights from various peace actions which took place on August 6, 1988, the 43rd anniversary of the dropping of the atomic bomb on Hiroshima. These will include the meeting of the California Peace March with peace activists from the Soviet Union, and their rally in Sacramento. Produced by Vince Ivory.

In the month of August, KPFFK will present several programs related to expanding consciousness. They will include the *Morning Reading*, weekdays August 10-31, 11:30 AM.

Tuesdays 2:00 PM

**PHILOSOPHER STONE**-Jack Gariss did a weekly program on KPFFK for 18 years. He explored the history and cosmology of great eastern and western religions. New frontiers in thought were discussed along with scientific and mystical perceptions. Sometimes Jack would lead listeners through on-the-air meditations.

Tuesday August 23 4:00 PM (Part 2 will be broadcast on 8/30, 4:00 PM, and parts 1&2 together will be broadcast on 8/28, 9-11 AM)

**BEYOND THE DOORS OF PERCEPTION**-(part 1)-This was the title of an event featuring Ram Dass, Paul Krassner, Ralph Metzner, Laura Huxley and Timothy Leary. The event was held on July 24, 1988, to help launch the Albert Hofmann Foundation, which is to be a worldwide information center and archive dedicated to the preservation of materials from the psychedelic era and the study of human consciousness.

Monday-Thursday August 15-18

**REPUBLICAN CONVENTION**-Pacifica Radio will be producing two programs each day of the convention, starting today. The morning programs (7:15-8:45 and 9:00-9:30 AM) will feature mostly analysis and commentary, while the evening programs (4-8 PM) will be primarily composed of live reports from the convention floor. Among those reporting from the convention will be KPFFK News Director Don Rush and Alan Fong. This month we will also present many related programs

Wednesday August 3 5:00 PM (Part 2 will be broadcast on 8/10, 8:30 PM)

**BEYOND THE REAGAN ERA**-We will present part 1 of a talk by Noam Chomsky, produced by David Barsamian.

Thursday August 11 7:30 PM

**GEORGE BUSH PRIMER**-Some political pundits have referred to Bush as a wimp, a team player, and without a mind of his own. But he has taken forceful, if covert, positions on some of the major issues of our time. As a congressman, he actively opposed the landmark 1964 Civil Rights Act. The first part of this program looks at some of Bush's domestic policies, including civil rights, civil liberties and the environment. The second part of the program will look at foreign policies. It includes a close look at Bush's controversial year as the director of the CIA, his behind-the-scenes role in the Iran/Contra affair and his relationship with General Noriega. Produced by the WBAI/Pacifica Contragate Investigative Team.

## Don Newcomb 1950-1988

Last month KPFFK lost a dear friend, Don Newcomb. Don was a long-time volunteer here, working many different jobs. Most recently, he was the broadcast engineer Monday through Wednesday evenings. His was the deep, rich voice heard announcing programs and taking care of station business.

Perhaps the hardest shift for a broadcast engineer at KPFFK is *The Times in Review*. This program involves live phone interviews (some of which are cancelled at the last moment) and several taped stories (some of which arrive as the newscast is in progress). Through all this frantic activity, Don was always cool in the control room and made it look easy.

For over four years, Don volunteered countless hours to KPFFK in various capacities. Before coming to KPFFK, Don had brought this same level of commitment to the United Farm Workers Union during the first grape boycott, and to the peace movement. He kept giving of himself, despite the health problems which eventually took his life. That's who Don was.

Don was a source of humor, support and encouragement for people here, and his death has left a great void. He will be missed by a great many people. Good-bye Don.

The first part of this program looks at some of Bush's domestic policies, including civil rights, civil liberties and the environment. The second part of the program will look at foreign policies. It includes a close look at Bush's controversial year as the director of the CIA, his behind-the-scenes role in the Iran/Contra affair and his relationship with General Noriega. It's rumored that Somtow Suchantkul will also stop by to join in the discussion with host J.
